

What's in your BLUE BIN?

PLASTICS

All plastic containers  and 

examples: shampoo, body wash, salad dressing, cooking oil, bleach, detergents, vitamins, condiment bottles and beverage bottles (no caps)

CANS

All metal cans aluminum and steel

GLASS

All glass bottles and jars (no lids)

PAPER

All newspapers

All cardboard boxes

All white and colored office type paper

Place all items loose into the bin (no bags)

All these materials will be remanufactured into new products.

Put green waste in the green bin for composting. Everything else goes in the gray (trash bin) for energy production at H-POWER.

sort it out

for recycling & energy

Nothing wasted ...

NOTHING to landfills!

Kirk Caldwell, Mayor

Paid for by the taxpayers of the City & County of Honolulu.
